Assignment –6

Using Special Operators in Conditions.

1) Write two different queries that would produce all orders taken on October 3rd or 4th, 1990.

```
select *from orders
-> where odate='1990-10-03' or odate='1990-10-04';
select *from orders
-> where odate in('1990-10-03','1990-10-04');
```

```
KD2-86650-Shivali@>select *from
    -> where odate='1990-10-03'
                                   or odate='1990-10-04';
